SIR,

(1) I write to state that the Mysore University History Association has proposed to bring out a Commemoration Volume on the occasion of the Diamond Jubilee Celebrations proposed to be celebrated next month. This souvenir volume will contain contributions of historical and cultural interest relating to Mysore. The President of this association has requested that blocks for the illustration of this publication available in this Department may be supplied free of hire charges. As per rules, the blocks of this Department are lent for printing purposes on a hire charge of Re.0-1-0 per square inch. But there are instances where the blocks are lent free of charge for reproduction in publications like 'Prabuddha Karnataka' the publications of the Oriental Research Institute, Mysore, the Geological Department etc. Since this publication is proposed to be brought out by the University History Association is of cultural interest and of educational value and the blocks were required for emergent printing, they have been lent to the Association.

(2) In the circumstances explained above, I request that orders of Government may kindly be obtained sanctioning the loan of blocks meant for publication in the Commemoration Volume referred to above free of charge.

Yours faithfully,

(K.Narayana Iyengar)
